ETBCG Graduates

The Citrus Academy has been implementing a skills development initiative across various citrus-growing regions. Learners who have successfully completed their training are now available to enter the citrus labour pool in their regions as potential employees for your organisation.

We are currently making their details available to you via this newsletter and on our website. Your organisation will then be free to contact them at your convenience.

View the candidate list here: <https://citrusacademy.org.za/etbcg-learner-database/>.
