

Note from the Managing Director

Internally our corporate culture, and the values that support this, are key in our endeavor to be an employer of choice. Our team also agreed that where possible this needed to go further than just our employees. With this in mind, the community initiatives of the RBX group have been focused on early childhood development, poverty relief, and emergency support over the last few years. Below are a few details of some of the programs that have been supported and it is great to see how a real difference can be made when concerned effort is put in.

CHEERS, ROB

♥ Giving Back to Our Communities ♥

Responding to the Citrusdal Floods

During the recent floods in the Citrusdal area, our team recognized the urgent need for community support in these trying times. To make a meaningful impact, we partnered with the ACT Foundation in Citrusdal, which was actively providing food and shelter to those affected by the disaster. Together, we aimed to offer immediate relief and assistance to the flood victims.

Improving Facilities for Young Learners

During one of our visits to the pre-schools in the ORV area, we were deeply concerned by the state of their facilities. The young children were unfortunate to not have the proper bathroom facilities to use. Promptly, we took action to rectify this situation. We are pleased to report that the school now has fully functioning toilets and a newly renovated bathroom floor, ensuring a safer and more hygienic environment for the children.

Before

After

Commitment to Early Childhood Development

Our dedication to early childhood development remains unwavering. We have been actively supporting various pre-schools in the Citrusdal and Addo areas. Our efforts include addressing essential needs such as repairing toilets and supplying schools with necessary materials and food in both the Eastern Cape (EC) and Western Cape (WC) regions.

Ongoing Support for the HANDUP FOUNDATION

On a regular basis, we support the Hand-Up Foundation in the Eastern Cape. Their unwavering commitment to alleviating poverty and equipping individuals with the tools they need to earn a living is truly unmatched. To learn more about their impactful work, visit their website: www.hand-up.co.za

Our collaboration with the Hand-Up Foundation enables us to contribute to sustainable change and support those striving to improve their lives. We believe in their mission and are proud to be part of their efforts in making a significant difference in the Eastern Cape community.

Our commitment to giving back to the community and supporting early childhood development is a core value that drives our initiatives. We will continue to work tirelessly to improve the lives of those in need and create a positive impact in our communities.
